Subject: my opinion for the noise bylaw
Date: Thursday, January 02, 2014 7:38:14 PM

I am not in favor of the new noise bylaw. I personally think it should be change to 8:00 am to 11:00 pm. Can you please submit this to the powers that be to let my opinion be known and counted that I do not wish the 3rd reading of the bylaw to be passed. Thank you
